Original article

- Evaluation of berries of *Phytolacca dodecandra* for growth inhibition of *Histoplasma capsulatum* var. *farciminosum* and treatment of cases of epizootic lymphangitis in Ethiopia 505
Negesse Mekonnen, Eyasu Makonnen, Nigatu Aklilu, Gobena Ameni
- Protective effect of *Pisonia aculeata* on thioacetamide induced hepatotoxicity in rats 511
Anbarasu C, Rajkapoor B, Bhat KS, John Giridharan, A Arul Amuthan, Satish K
- In-vitro* antimicrobial activity screening of some ethnoveterinary medicinal plants traditionally used against mastitis, wound and gastrointestinal tract complication in Tigray Region, Ethiopia 516
Shewit Kalayou, Mekonnen Haileselassie, Gebremedhin Gebre-egziabher, Tsegay Tiku'e, Samson Sahle, Habtamu Taddele, Mussie Ghezu
- Antidiabetic and hypolipidemic activities of ethanolic leaf extract and fractions of *Melanthera scandens* 523
Enomfon J Akpan, Jude E Okokon, Emem Offongi
- Anti-oxidative role of quercetin derived from *Allium cepa* on aldehyde oxidase (OX-LDL) and hepatocytes apoptosis in streptozotocin-induced diabetic rat 528
Mina Bakhshaeshi, Arash Khaki, Fatemeh Fathiazad, Amir Afshin Khaki, Elham Ghadamkheir
- Molecular study of HCV detection, genotypes and their routes of transmission in North West Frontier Province, Pakistan 532
Asher Zaman Safi, Yasir Waheed, Joharia Sadat, Solat-Ul-Islam, Sadia Salahuddin, Umar Saeed, Muhammad Ashraf
- Antiepileptic activity of lobeline isolated from the leaf of *Lobelia nicotianaefolia* and its effect on brain GABA level in mice 537
Abrar M Tamboli, Rukhsana A Rub, Pinaki Ghosh, SL Bodhankar
